TO KEEP THE MEMORY GREEN

REFLECTIONS ON THE LIFE OF RICHARD LANCELYN GREEN 1953-2004

Edited by Stephen Rothman and Nicholas Utechin. The Quartering Press
(a joint imprint of The Baker Street Irregulars and The Sherlock Holmes Society of London) 2007

For the first time, the world's two leading Sherlock Holmes groupings have come together in a publishing venture to celebrate the life of the great Holmesian and Doylean scholar, Richard Lancelyn Green.

His untimely death made worldwide headlines in 2004, as did the news of his wish that his phenomenal collection be left to the Portsmouth Library. An important exhibition of some of the many thousand items in the Bequest opened earlier this year and in time, scholars and passers-by will be able to benefit hugely from what the Library is doing with the enormous volume of material they inherited. All profits from this publication will go towards supporting and maintaining the Portsmouth Richard Lancelyn Green Bequest.

For this limited edition volume (500 copies, of which fifty are numbered and signed by the Editors, Guy Marriott (Chairman of The Sherlock Holmes Society of London), Michael Whelan ('Wiggins' of The Baker Street Irregulars) and an iconic Sherlock Holmes of the 1960s, Douglas Wilmer), the Editors have collected a wide variety of memories of, and tributes to, Richard from a myriad of friends and admirers. There are very personal thoughts from Richard's mother and siblings, emotional tributes from Douglas Wilmer and Owen Dudley Edwards and many other contributions covering the broad interests held by Richard.

The Sherlock Holmes Society of London has 300 copies of the book available for sale, including 30 of the special signed editions. Copies will be available from the Society's Merchandise Officer, Judi Ellis at 13 Crofton Avenue, Orpington, Kent BR6 8DU - email SHSL221B@aol.com

Copies can be ordered now for delivery after 1 October 2007. We expect that there will be special interest from collectors for one of the 'specials' and these will be limited to one per applicant.

All prices include postage and packing. Overseas copies will be sent airmail.
